## BIO

I'm a **communications designer** and **inquisitive creative**, hails from Alabama and resides in Charlotte, NC. I'm interested in **graphic design**, **web design**, and **UI/UX design**. I have enjoyed partnerships where I'm designing to **make people's lives easier and better**.

## EXPERIENCE

### Freelance Graphic Designer — Self-Employed,

Jan 2015 - Present | Multiple Locations

- Designing & editing logos, digital assets, wall art, event invitations, & banners
- Maintaining strong communication with clients from preliminary concepts to executing products using clearly defined project tasks

### Graphic Designer — Studio Mosaic,

Nov 2020 - Jan 2025 | Remote

- Consistently created design solutions for various agencies & clients to iterate, design, and finalized animations, IP ads, print designs, social media, videos, mobile and web designs
- Researched and created new processes for system changes, i.e., shifting from Adobe XD to Figma, use cases for Wix Studio usage
- Worked closely with designers, web developers & project managers to troubleshoot and iterate on potential issues to meet client needs

### Design Intern — Black Film Space,

Oct 2020 - Dec 2020 | Remote

- Collaborated with executive staff, event organizers, & social media department on flyers, social media assets, one-pagers, and presentation decks to increase engagement & following

### Executive Producer/ Event Manager — Pratt Institute,

Feb 2019 - May 2019 | Brooklyn, NY

- Collaborated with team members in ideation on accessible, fun & relatable event themes & classes to encourage engagement
